

Staff Position Description

Position: Campus Pastor

Campus Location: Wayne Campus

Purpose of Role: Campus Pastors exist to spread the gospel and influence our region through their targeted location. They are the local expression of Cornerstone Church to their community. As such, they are individuals who are passionate about keeping clear alignment with Cornerstone Church and its respective communities. Their primary focuses are caring for local members, strong weekly services, the growth and health of their location, and reaching their community.

Reports To: Lead Pastors

Oversee: Volunteer Team Leaders or Staff when it applies

Primary Responsibilities:

- Active involvement or oversight of Pastoral Care
- Developing strong weekly services that reflect Cornerstone culture in sound, message & quality
- Growth and health of campus, with a strong focus on leadership development
- Developing an ongoing presence in the local community, including pursuing relationships with other community leaders
- Participation in Campus meetings and implementation of those meetings at their location
- Oversight of Campus budget

Additional Responsibilities:

- Training and raising up leaders
- Involvement in volunteer management - especially in volunteer appreciation
- Actively involved in communication between location and central office

Skills and Attributes:

- Committed follower of Jesus Christ, faithful member of Cornerstone Church with evidence of Spiritual maturity and ability to apply Biblical truths
- Strong understanding of the vision and culture of Cornerstone Church
- Strong interpersonal and public communication skills
- Experience in public speaking
- Strong conflict resolution skills
- Experience leading teams
- Proficient with technology
- Passion for continued growth and development

Other duties as assigned
